

PANTHER PRESS

Volume 21 Edition 1

Spring 2013

From the President:

Spring is the time to focus on the upcoming year for our Association. Growing the membership is our most important endeavor. **VP Jeff Corker** is constantly exploring ways to encourage past Jungle Cats to join our Association. Your ideas are important to Jeff. With the expected huge downsizing of our Active Component (AC), many soldiers are retiring and/or are transitioning from the AC to civilian life, making them prime candidates for membership in the Association. Another prime source for membership are the soldiers from the 1960's and 1970's who are entering their 60's, and are longing for the camaraderie experienced when they were Active. Send to Jeff the names of your friends when you were Active. These past soldiers are the people we want in our Association.

Our next reunion is the December Cruise. **Now is the time to reserve a cabin** on the Cruise Ship. Rates will begin to climb the closer we approach our Boarding date. **Coordinator VP Joe Papapietro** also suggests that you plan to leave for FT Lauderdale a day or two early just in case some unforeseen obstacle tries to block your timely arrival for boarding the Cruise Ship. Specific Cruise information will be posted in this edition of the newsletter. For Carol and me this reunion trip will be our 45th anniversary. We were married in Basel, Switzerland in December, 1968 when I was a SGT stationed in Darmstadt, Germany.

Treasurer John Booth keeps updating the format in the treasurer's data spreadsheets. When John is finally satisfied with the desired output, the data will not only magically appear by itself, but I suspicion that it will bring John a cup of coffee to boot! I cannot emphasize how much time and effort John has put into this product. In

regards to membership, our fiscal year is the same as the calendar year. When registering to attend our Reunion, send your check to John, but made out to the 11th Engineer BN Association. Thanks John for everything you've done!

Secretary Ron Smoker, coordinating with Treasurer John, has our current membership detailed, issuing membership cards, accompanied with a nice welcoming letter. Smoke is the recorder and the keeper of the minutes of all meetings of the Association. We are beginning to develop the Agenda for the Association Business Meeting that we conduct during the Reunion. Please send your items of concern that need to be placed on the Agenda to Smoke. The Association is developing an SOP in addition to our By-Laws to facilitate day-to-day proceedings. The SOP will be a necessary guide and reference.

Many transitions are taking place. **Chaplain Jim Rock** is a comfort for me because he is communicating to those that are losing their loved family members. Happy transitions occur too, as Kay and Smoke are now grandparents, and are welcoming a new Daughter-in-Law. And other members are winning the health battles, a welcome relief to know that their quality of life will continue.

From the 1st Vice President:

Greetings to all! Punxsutawney Phil forecast an early spring for Pennsylvania this year but it was 31 degrees last night with frost on the crocuses this morning. I think his job is in jeopardy.

The late arrival of warmer weather, however, has only inspired me to think of sunny days and this year's 2013 reunion cruise aboard the Celebrity Constellation in December. I know it's only April but our departure date will be here before you know it so for those of you who are procrastinating now is the time.

REUNION 2013: Please see the [Information Paper](#) (attached) for more cruise details including a detailed itinerary. Here's a quick summary of the high points:

Dates: 9 Dec - 14 Dec
Ship: Celebrity Constellation
Itinerary: Ft Lauderdale - At Sea - Cozumel - At Sea - Key West - Ft Lauderdale

PRICES: I've spoken with Celebrity this week and they have committed to hold the original prices as long as they can but warned that the ship is filling up. Once our original block of rooms has been filled rates will increase about \$50 for inside & outside cabins and \$75 to \$100 for balconies and suites.

- Inside Cabin from: \$334
- Outside Cabin from: \$384
- Veranda (Balcony) from: \$469
- Suite from: \$834

Other Costs: Please remember that Gratuities (from \$11 to \$13 per day per person based on your cabin) and Taxes and fees (\$105.89 per person) are not included in the above rates.

REGISTRATION FORM: Whether you have already booked your room (see below) or are planning to do so please complete the attached [Registration Form](#). This will give us an important insight into the total number of attendees and allow your Reunion Committee (me) to better plan the trip. See form at the end of this newsletter.

COMPLETED RESERVATIONS: We currently have 15 cabins booked and a total of 31 Association members and guests signed up:

1. BASWELL, Carl + 1 TBD
2. BOEHLE, Fred & Eileen
3. BOELSCHE, Charlotte & Karen
4. BOOTH, John & Flo
5. CORKER, Jeff & Christina
6. CORKER, Josh, Jesse & Josiah
7. DAVIS, Bill & Carol
8. ELLEGOOD, Mike & Julia (+ guests Hall & Robertson...see 10 below)
9. GORING, Rick & Marlene
10. HALL, George + ROBERTSON, Michael
11. LOFTIS, Phil & Angela
12. McGEE, Tom & Mary
13. PAPIETRO, Joe & Richel
14. ROCK, Jim & Susan
15. SMOKER, Ron & Kyung Hui (Kay)

HOW TO MAKE A RESERVATION: Our Celebrity POC remains Erika Trivett. Call her at 1-888-727-4907 x13337 to reserve your cabin. If she is not available any other agent at that number will be able to help you. Be sure to ask for the "11th Engineer Battalion Association" reunion, using cruise Group Number 2059484.

NOTE: For those of you on the fence....it's time to get your reservations in to insure the cabin you want.

DEPOSIT: When you make your reservation a credit card deposit will be required. If you want to select your cabin (recommended) a deposit of \$100 per person is required. You can also make a cruise reservation and let Celebrity assign you a cabin later for a deposit of only \$25 per person.

FINAL PAYMENT: Due NLT 25 Sept 2013.

REMINDER: The stop in Mexico means this is classified as an international cruise....ALL personnel (except children under the age of 16) must have a current US Passport.

CABIN CREDITS: Celebrity will give each cabin a credit based on the total number of cabins booked in increments of 8 cabins. At present we qualify for a total rebate of “one passenger fare” (\$334). If we book one more cabin, for a total of 16, this will increase to “two passenger fares” or \$668. For 24 cabins it will increase to \$1,002. The max rebate, about \$41.75 for 8, 16 or 24 cabins, will be credited directly to your cabin and can be used as you see fit: to pay gratuities, offset on-board expenses, etc.

EXCURSIONS: The Board of Directors has determined that given the logistics and costs involved we will not be booking any group excursions or meals when on shore in Cozumel or Key West. Instead, all Association meetings and get-togethers will be held on board the ship. This will allow members the freedom to book their own on-shore excursions using Celebrity’s extensive offerings. Once these are finalized by the Cruise Line I will publish that information for all travelers. **NOTE:** If any of you are familiar with Cozumel or Key West I would be interested in getting your feedback and recommendations on what to do (or not do) at each of these locations. I will consolidate your input and present it to the members. Please refer to the attached Info Paper for more information on other cruise details (Meals, Entertainment, Hospitality Room, Meetings, etc.).

Questions? Concerns? Please contact me or Richel if you have any questions or concerns. My home number is **717-767-1563**. My email address is: o6ret@aol.com

Reunion 2014: I have begun the early planning for our 2014 reunion in Charleston, SC and expect to make a scouting trip sometime this summer. I will be prepared to discuss the opportunities during the cruise. **SPECIAL REQUEST:** If there is a member out there who lives in or near Charleston or who has intimate knowledge of the area please contact me if you are able to assist in planning.

Reunion 2015: It’s not too soon to be thinking about where the Association should go next. If you have ideas or recommendations please send them to me so I can develop a slate of options and have it ready for a vote during this year’s cruise.

Association Website: Our website (www.11thengineerbattalionassociation.com) is active but needs some additional work to make it current. As soon as the Webmaster (me) gets off his duff I’ll have all the reunion information loaded and accessible on line. I’m pushing to have that done NLT than the end of April.

See you on the Constellation.....Joe
Joe Papapietro

Greetings from the 2nd VP:

Greetings to all!! The year 2013 still reveals an ongoing challenge for acquiring new members. I can recall years ago, talking to New Jersey Fred about his many struggles to find new members and how he often felt he was at the end of his search. Our newest approach is that each one of us has the responsibility to find new members. As the 2nd Vice President, I am the point of contact for the association to formulate plans and to remain active in searching for members using any means I can find. Today’s technology has truly enhanced our opportunities. I challenge each of you to support this effort. Please help by providing me with any suggestions of possible media to find our comrades. Just having a first and last name could be all I need to locate someone you remember!! So please email me (corkerfamily@sysmatrix.net) or mail me (Jeff Corker, 504 Neal Drive, Gurley, Al 35748) if you have something to contribute to our efforts.

From the Treasurer:

Notes from the Treasurer – April 2013
The 11th Engineer Battalion Association is recognized by the IRS as a 503(c)(19) Veterans

Organization. I completed and submitted the annual Form 990-N filing for 2012.

I thank President Bill Davis for his positive comments but I have no special skills.

Good news - Bad News by the numbers.

- **84** members are current with their 2013 dues.
- **5** short of the 89 paid members in 2012.
- **13** of the members current with 2013 dues, were either not current or not members in 2012.
- **19** members that were current in 2012 did not renew their membership in 2013.
- **36** individuals in our database did not maintain their membership for either 2012 or 2013.
- **29** members have paid dues for 2014 and beyond.
- **60%** of the names in our database are current with their 2013 dues.
- I hope that the members that have let their membership laps are okay.

(See the lists of paid and non-paid members attached)

Ron Smoker and I communicate very frequently and he has been very good in sending out membership cards to those that have paid, so if you do not have a current membership card you are most likely delinquent.

The dues payments support:

- communications with our members without email addresses to include the Newsletter distribution,
- awards for the 11th Engineer Battalion of Soldier, NCO, and Officer of the Year,
- reunion planning and preparation costs, and
- development and maintenance of our new website
<http://www.11thengineerbattalionassociation.com>

As of this writing at the end of April we have over \$4.5k in our checking account and over \$5k in our savings account. We expect bills throughout the year to be about \$3k and our income to be

about \$1.8k, for a delta of about **-\$1.2k**. We have the funds to cover this but this is why it is important that members pay their dues.

Association Coins. The Association coins are available for sale. Order one from me by sending me a request and check for \$12 including postage.

Thank you again for your support.

From the Secretary: "Smoke Signals"

This spring and especially this past week or so has been a very blessed and special time for my family and I with numerous blessed, joyful and wonderful events occurring. However, the past few months since our last Newsletter has also been a very difficult and trying time for some of our other members and their families with the loss of loved ones, those experiencing serious operations and others battling various forms of illnesses. I often wonder how and why God allows these things to happen but I don't have an answer to those questions. However, I do know that He has blessed us with our Association and its members who are here for each and every one of us and our families, especially in times of need. Please be sure to notify me or any of our officers, if you know of any members or their family members who are going through difficult or trying times or requiring assistance in any way. On that same page, I'd like you to ask yourself, "When is the last time that I picked up the telephone and talked with one of my fellow members with whom I haven't spoken in the last six months – or longer?" It can be an old or new friend. One that you met through our Association or even before you joined. Please do me a favor and after you read your Panther Press Newsletter, pick up the telephone and call one of our fellow members, if just to say, "Hi, this is

_____, I just called to see how you were getting along.” If you need a telephone number call me 301-212-9378, and I’ll get it to you as soon as possible. If you do call, I thank you in advance because you will truly make me happy. However, more importantly you will make that member (your comrade) even happier – to say the least. God Bless!

If anyone has questions or needs any assistance or information regarding our Association, please feel free to call or email me at 301-926-9870 or 301-212-9378, ronald.smoker@gte.net.

Reminder, “**Check your calendars – time is getting short.**” Our “11th Engineer Battalion Association’s 21st Annual Reunion, Western Caribbean Cruise,” leaving out of Ft. Lauderdale, Florida on Monday, December 9th and returning on Monday, December 14th, 2013. Please see our 1st VP’s (Joe Papapietro’s) article with all of the details and/or call if you have questions or need assistance.

Ron “Smoke” Smoker

Greetings from your Chaplain:

11th Engr. Bn Assn has had 2 losses this quarter. Harvey Richart, passed away on Christmas Day 12/25/2012 at 95 years of age in Virginia MN. Entering active duty 10/10/41, Harvey served in WWII, Panama and Europe. In September 2012,

3 months prior to his passing, Harvey was blessed with a trip on the *Honor Flight* to DC visiting all the memorials. The Association was notified of Harvey Richart’s passing by his daughter, Carol Johnson, on 1/24/13.

Our second loss came very suddenly. One of our newest members, Dave Brown, retired O-6, and a highly decorated officer lost his dedicated wife Deborah (Debbie) Brown after a short illness on 3/29/2013. The Browns had just joined us and renewed old acquaintances at their first annual Association meeting in Pigeon Forge TN, fall 2012. Peace be to all members.

If you have Chaplain topics for the future, please email me (jrocknroll@comcast.net) or mail me (Jim Rock 8479 River Glen Drive Germantown TN 38139)

And a note from your Editor:

The newsletter is for your benefit to keep you up to date on what is happening in the association and your past fellow comrades in arms. Please provide me any comments how to improve your newsletter...too short, too long, not enough human interest notes, good info, bad info, etc.

Thanks.

<http://www.celebritycruises.com/explore/ships/detail.do?shipCode=CS>

<http://www.cruise critic.com/reviews/review.cfm?ShipID=272>

3. ARRIVAL: It is recommended that you arrive in Fort Lauderdale as early as possible on 9 December to avoid complications due to late or missed flights that might impact the boarding process.

4. BOARDING: Typically begins at 12 noon but it is highly recommended that you plan your arrival at the port after 1 PM. This will avoid the early crush and long lines and provide for a more leisurely boarding process. It will still allow plenty of time to get settled in your cabin and tour the ship before departure.

- b. These offer everything from Broadway production shows in the theater to comedians, magicians and vocalists/bands in the smaller venues.

c. There's also a casino, just waiting to take your money, and many other activities from karaoke contests to bingo to art auctions. Something for everyone, just take your pick

7. TOURS/EXCURSIONS: You are free to explore on your own when in port at Cozumel and Key West.

a. You can choose to take advantage one of the many tours offered by Celebrity (I will list these in the next Panther Press but you can get a heads-up by going to the Celebrity web site)

b. Or you can spend a leisurely day exploring the port and its surroundings or just chill at poolside.

c. **IMPORTANT:** If you leave the ship be sure to get back on time....it will not wait if you are late.

8. ASSOCIATION ACTIVITIES:

a. Hospitality Room: Celebrity has offered us the use of a Hospitality Room during the cruise but I will not have information on its location or the hours it will be available until we get closer to our departure date.

b. Business Meeting: To be scheduled during first sea day. Room location and time TBD.

c. Ladies Luncheon/Tea: To be scheduled for first sea day. Room location and time TBD.

d. Memorial Service: To be scheduled in the ship's Chapel during the second sea day. Time TBD.

e. Reunion Banquet: Scheduled for the second sea day in concert with dinner that night @ 6 PM.

f. Option: if there's interest we could have the banquet at one of the specialty restaurants. This would mean an additional charge of \$25 per person.

g. I have requested a meeting for our group with the Captain and a tour of the bridge. This is pending/TBD.
